This book like many others in my possession by him are AWESOME. Good read, good info, as a beginner, it's the best info that a newbie or even a master gardener can benefit from. Yes, I would recommend this book to others. 8 of 8 people found the following review helpful. P. Allen Smith's Veggies Herbs: From The Garden By RickyMI like the recipes, better than some of my other cookbooks. Will buy his books again. Easy to read and understand. Thank you! 0 of 0 people found the following review helpful. P. Allen Smith's Veggies Herbs This boxed information contained ... By Carolyn Coughran P. Allen Smith's Veggies Herbs This boxed information contained tips for growing and using herbs and vegetables.

From containers of lettuce and rosemary to rows of broccoli and tomatoes, there's nothing quite like growing produce in the backyard or on the deck, and garden designer and lifestyle expert P. Allen Smith shows how with this card collection. It features 27 of Smith's favorite herbs and vegetables, as well as corresponding recipes for a true garden-to-

table experience. This package also includes an hour-long DVD with additional how-to projects, organic care and pest control tips, and garden tours.
