Rhianna Jones : Parisienne French: Chic Phrases, Slang and Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Parisienne French: Chic Phrases, Slang and Style:

2 of 2 people found the following review helpful. Ouaaaais, not Ouis!By M.F. EspinozaIt's not the bible of french slang, but it's something like it...I showed this to my college french professor (who is a native of Belgium and lived in France for over 20 years) and he scoffed at it...he said it was too informal and that most of these phrases wouldn't be appropriate to whip out unless you are close acquaintances with someone (so don't use slang with some random person just because they appear to be in your same peer group!) Jones makes note of this in the book, however, so I wouldn't knock her compilation...she lived in France for awhile too.So...final statement? I loved it! She writes with flair and explains grammar rules clearly (VERY important in utilizing french language!).1 of 1 people found the following

review helpful. I was not disappointed! It completely inspired the next 6 months of ...By CustomerI met the author, Miss Jones, by chance when she came into the restaurant I work at. She complimented my outfit, saying it was very French and I admitted I had just started studying the language and culture. She mentioned her book and I ordered it as soon as I got home that night. I was not disappointed! It completely inspired the next 6 months of study. The book is so fun and useful. Other girls in my class ordered it as well! I can't wait to go to Paris!1 of 1 people found the following review helpful. thoroughly disappointedBy MEI bought this book based on the reviews. But I was thoroughly disappointed. It has a handful of phrases that you would not find in regular French books, but unfortunately too few of them to make this book worth the time or the money. Most of the book is just extremely basic stuff that one can find in basic French books everywhere. If the author had focus on just the slang and chic phrases instead, it would have been quite good and useful.

THE LANGUAGE OF LOVE FOR THE GIRL WITH JE NE SAIS QUOIYouve dreamed of Paris your whole life. Youve imagined yourself sipping a caf au lait at an outdoor bistro in the Jardin de Tuileries, or browsing a fashionable boutique on the Champs-Elises, or strolling along the banks of the Seine, hand in hand with your handsome French lover. Now is the time to realize that dream.Parisienne French will have you cultured, chic and, most importantly, casually chatting with locals as if you were raised in the City of Lights. With refined phrases to express yourself at the Muse dOrsay, posh vocabulary for catching up on this seasons couture fashion and hip slang for flirting at the hottest nightclub, youll effortlessly navigate the social scenes of Paris. Your new eloquent French will win over any vrai patriote, who will warmly welcome you to la vie parisienne.

About the AuthorRhianna Jones was born in Chicago, IL, and received a dual-degree in French Literature and International Visual Studies from Tufts University. Combining her great passions of writing, fashion and girliness with her eternal love for Paris, this book represents her complete vie parisienne. She is convinced of being Holly Golightlys grittier modern-day counterpart, and takes that role very seriously. Rhianna currently lives in New York City.
