**Jack C. Richards, Chuck Sandy : Passages Level 2 Student's Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Passages Level 2 Student's Book:

0 of 0 people found the following review helpful. Five StarsBy Daymon FikesGreat3 of 3 people found the following review helpful. An Excellent and Current American ESL ResourceBy Craig PeissI have been using Passages in an English As A Second Language class in Guatemala for about four months and have found it to be a valuable and interesting resource. My students are all native Spanish speakers and I have seen their interest in the material and an improvement in their skills. The series is made up of a student's book, workbook and a teacher's book. All three of these books are well integrated and the teacher's book is written so well that any reasonably educated native English speaker can utilize it to instruct non-native speakers. The grammar points are well selected and relate to the material used to introduce and practice them. I even find the subject matter personally interesting and find that it stimulates conversation in the classroom.0 of 0 people found the following review helpful. Five StarsBy CustomerIt's good.

Passages, Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. The Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Students will progressively elevate their language ability in both formal and informal communication through a variety of real-world contexts. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support.
