Miller Williams : Patterns of Poetry: An Encyclopedia of Forms before purchasing it in order to gage whether or not it would be worth my time, and all praised Patterns of Poetry: An Encyclopedia of Forms:

6 of 6 people found the following review helpful. Great book for poetsBy Dr. Bon-TonThis is a short review, as time is of the essence right now. Miller Williams has written an excellent book on poetic forms. He doesn't include ALL possible forms, but he includes the major forms, and gives good explanations of how the forms can be worked, and great examples of poems written IN the forms. If you are a poet and want to expand your repertoire, this is the book

for you.0 of 0 people found the following review helpful. A great resource.By CustomerInformative and enlightening. A great resource.1 of 1 people found the following review helpful. Technically competent, but not the most inspiringBy J. M. EwingWilliams provides excellent information on a wide variety of forms, but the poems he chooses as illustrations rarely rise above competence and would hardly encourage beginning writers to launch out as formal poets.

New copy. Fast shipping. Will be shipped from US.

About the AuthorMiller Williams is professor of English and foreign languages at the University of Arkansas and is director of the University of Arkansas Press. He is the author or editor of more than twenty books, the most recent being a collection of poetry, *Imperfect Love*. He has won the Prix de Rome of the American Academy of Arts and Letters and many other awards.
