Carl Sifakis : The Dictionary of Crime Terms (Facts on File Crime Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dictionary of Crime Terms (Facts on File Crime Library):

Comprehensive, authoritative, and fascinating, The Dictionary of Crime Terms is a new volume that features definitions and explanations for approximately 2,000 terms from crime lingo and Mafia jargon. Phrases such as break a leg, ice pick special, no man's land, and many other household and less-well know terms are covered here. The definitive guide to the language of the underworld, this dictionary will make an excellent addition to any library or home collection where criminology is a favorite.
