Deborah Penrith : The Directory of Jobs and Careers Abroad, 13th before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Directory of Jobs and Careers Abroad, 13th:

This revised twelfth edition of the comprehensive guide to all kinds of work abroad provides essential information on permanent career opportunities around the world for people of all walks of life, from school leavers still deciding on a career to fully qualified professionals. The types of employment covered in The Directory of Jobs Careers Abroad include: Agriculture, Fisheries and The Environment. Banking and Accountancy. Information Technology and

Journalism. The Law, Medicine and Nursing, Oil Gas and Mining Engineering. Secretarial, Translating and Interpreting. Transport Tourism and Hospitality Catering. Voluntary Work. Work with International Organisations including the United Nations. The book lists the professions and trades in demand overseas and gives all the facts on over thirty five different specific careers with detailed information on recruitment and sources of jobs including consultants, agencies, advertising, the internet etc. and finding work by making use of contacts such as professional associations. In addition there are individual chapters presenting career opportunities in fifty countries which include for each country coverage of employment prospects there plus: Immigration and residency regulations. The cost and standard of living, The language, health, welfare and education, etc. Also included in these chapters are details of employers and agencies specialising in placements in that country and listings of hundreds of overseas subsidiaries of international companies. Other features of The Directory of Jobs Abroad include a comprehensive index of employers and agencies and, in addition to coverage of how to find work by conventional means, advice on how to find the jobs that aren't advertised by using the Creative Job Search.

"No-one contemplating a new job abroad should do so without consulting this comprehensive reference book. -- Times Educational Supplement Full of valuable resources and addresses. -- The Observer An invaluable tool for the international jobseeker. -- Overseas Jobs Express
