Geoff Nicholls : The Drum Handbook: Buying, Maintaining and Getting the Best from Your Drum Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised The Drum Handbook: Buying, Maintaining and Getting the Best from Your Drum Kit:

0 of 0 people found the following review helpful. Five StarsBy Gary 0765This is an amazing resource for drummers to learn about the tools of their trade.0 of 0 people found the following review helpful. Drum ReferencesBy Val UThis was a good book for a basic understanding of drums, and it could be used for beginners to the experienced drummer. This book is worth considering for most drummers.1 of 1 people found the following review helpful. Glossy cover.....black and white contents?????By Andreas KodyatI find this book content to be useful for any drummers. I can say that it's very well thought out book about drums and deserved to be titled as such.What's been bothering me is the quality of the book content printing. How come it all printed in black and white? Not sure if this one that I got is a

legal copy or pirated one, but the quality of the printed pages really disappointed me. I expect the content to be in full color on glossy paper. Nevertheless, I find the content is useful.

(Book). Drummers from beginners to pros will relish this comprehensive guide to the tools of the trade! The Drum Handbook gives you the in-depth knowledge you need to choose the whole range of gear, including drums, cymbals, hardware, heads and sticks new, used and vintage. Includes info on setting up, tuning and maintenance, plus tips from top pros on gear, recording, playing live and surviving on the road. Fully illustrated and authoritatively written, this book includes a website directory and an exhaustive glossary of technical terms.

About the Author Geoff Nicholls is a professional writer and musician. He is the author of The Drum Book, the only full history of the drum kit. He wrote the award-winning BBC radio series Byte The Music, and contributes to many publications from Rhythm and Modern Drummer to The Independent newspaper. He was the drummer/presenter on BBC TV's Rockschool series, presented the Virgin video How To Play Drums, and wrote the acclaimed Rock Drum Method for Boosey Hawkes. Nicholls lives in London, England.
