I would recommend other books for any in-depth study, but this is a wonderful resource to keep on hand if you're looking to formulate an oil or want to know a mystical recipe from antiquity.2 of 2 people

found the following review helpful. Fun book and we'll put together!By FaunusA must have to any witches library!3 of 3 people found the following review helpful. Five StarsBy Debbie ParsonsExcellent is all I can say!!!

The definitive magic reference book for Witches, Wiccans and all devotees of the magical arts. This is the real version of the archetypal master spell book of fantasy that has a place in our collective imagination.
