Charles R Geisst Professor of Finance : The Encyclopedia Of American Business History (Almanacs of American Life) 2 vol. set before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia Of American Business History (Almanacs of American Life) 2 vol. set:

Provides detailed coverage of America's business history, from the Hudson fur trade to the Internet. More than 400 entries profile corporate titans and tycoons, Wall Street wizards, industry leaders, and major events and institutions of American business - spanning the period after American independence.
