**Sallie Walrond : The Encyclopedia of Carriage Driving** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Carriage Driving:

1 of 1 people found the following review helpful. Five StarsBy DebbsGood reference book to have on the shelf!0 of 0 people found the following review helpful. Encyclopedia of Carriage DrivingBy CindyThis book is a wealth of information and learning about the colorful history of carriage driving and how to train a young horse to drive. The stories of cabmen in Europe and the fun they must have had are very entertaining. Seriously, the abuses of horses in

centuries past are well-described and warn us not to go back to the way of thinking that a horse is just a servant. I enjoyed the wonderful line drawings by the artist. 0 of 0 people found the following review helpful. A Lot of Good Information By wallace s venable I'm new to carriage driving, so I found the broad coverage useful. On the other hand, I noticed some amusing omissions. She has unquestioned expertise on British and European practice, but some of her description of American heavy vehicles is a bit questionable. Overall very useful.

This invaluable reference book present information on every aspect of driving, horses, vehicles, harness, and competition.

About the Author Sallie Walrond teaches, lectures, and judges internationally, making regular trips to the U.S. She is a life member of the Carriage Association of America and an honorary member of the American Driving Association.
