Much more than a collection of recipes, this "encyclopedia" ...By ArajayMuch more than a collection of recipes, this "encyclopedia" covers all of the fundamentals for American/European cooking. The information is presented in a way that reinforces learning while simultaneously

encouraging creativity experimentation. Quite simply, this is the most important cookbook I own.3 of 3 people found the following review helpful. A great resource for anyone learning to cook real food.By James GriffithThe pictures were clear and step by step right along with the definitions and instructions. A great help to the novice home chef.1 of 1 people found the following review helpful. Five StarsBy P. HodgeLooking for a while for a book as clear as this one
