PaidhrinThis is a must-have reference for anyone who studies non-Western subjects. The definitions are clear and concise. The scope comprehensive. We've used this work as our primary go-to reference for over 20 years. We bought this copy as a gift for our daughter.

With more than four thousand entries and over one hundred illustrations, this encyclopedia offers a complete survey of the four major religious traditions of the Eastern World, outside of Eastern Christianity and religions of the near East. It is designed not only for students and scholars but also to help general readers understand the ideas behind Buddhism, Taoism, Zen and Hinduism.
