The Encyclopedia of Mosaic Techniques shares the ancient methods for creating decorative artwork with mosaic tiles. This visual directory helps you transform your pottery, furniture, walls, and floors with fabulous creative mosaics. Learn foolproof techniques for getting colours to work together to create dynamic designs. It needn't be expensive: find out how to work with improvised mosaic tiles, such as pebbles, coloured glass, and other found materials.

June 2015 28 designs offer a range of application for indoor home decor accents, tabletops, and frames, to outdoor pottery and patio flair. In-depth information on choosing tesserae (tiles), surfaces, adhesives, and grout, to cutting tiles and building patterns is easily explained for the novice mosaic artist. Full-color photos, step-by-step instructions, and a glossary of helpful tips and applications ensures your tiling success. Whatever your experience level, this detailed publication of mosaic art is sure to inspire. * Craft Ideas *About the AuthorEmma Biggs has spent many years working professionally with mosaic art. Along with fellow artist, Tessa Hunkin, she produces mosaics for public and private commissions, and runs courses on all aspects of mosaic design. She runs a shop and gallery based in central London.
