Eric Flaum, David Pandy : The Encyclopedia of Mythology: Gods, Heroes, and Legends of the Greeks and Romans before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Mythology: Gods, Heroes, and Legends of the Greeks and Romans:

1 of 1 people found the following review helpful. Four StarsBy EltonetteI gave this book as a gift and it was received well.0 of 1 people found the following review helpful. Five StarsBy Michael T. KlonowskiCool, Thanks9 of 10 people found the following review helpful. Brilliant and richly illustrated...A Must-Have!By A CustomerThis book is pretty amazing! Every minor and major mythological figure is covered and every page contained rich photographs and illustrations. A proud addition to anyone's library. A reference book and so much more!

Organized alphabetically, this encyclopedia of mythology contains information about the figures who make up the mythologies of the Greco-Roman world and two hundred full-color photographs and illustrations.

From Library Journal
Journalist Flaum has provided at a modest price comprehensive coverage of the major and minor legendary characters that appear in classical Greek and Latin literature. The work is richly illustrated by hundreds of beautiful reproductions of appropriate paintings and sculptures with classical themes. A standard concordance between Greek and Roman divinities is provided. The separate Roman entries are a bit idiosyncratic (Pomona is included, but not Vertumnus, and there are no entries on Faunus or Acca Laurentia) and not necessarily legendary (Vestal Virgins), but still useful and interesting. Though neither comprehensive nor exhaustive, this outstanding and attractive reference book will appeal to a wide range of readers, from students to amateurs of classics.- James S. Ruebel, Iowa State Univ., Ames
