**Bruce West : The Encyclopedia of Pragmatic Medicine and Holistic Medicine, Volumes 1 and 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Pragmatic Medicine and Holistic Medicine, Volumes 1 and 2:

4 of 4 people found the following review helpful. Honest InformationBy June ShookThis is the information I had been looking for. Honest, straightforward and valuable. I have started using his advice and am feeling better already.Very highly recommended.June1 of 1 people found the following review helpful. Five StarsBy Mrs. SmithLove this holistic book on medicine. Very helpful.1 of 1 people found the following review helpful. Five StarsBy LindaThis is really helpful for anyone who wants to improve their health.

The culmination of 30 years of clinical research on over 75,000 patients from Health Alert/Immune Systems, Inc., with additional research from the Health Alert Board of Advisors -- made up of some of the top doctors, physicians, and therapists in the country. Pragmatic: Practical medicine with special emphasis on the causes of disease and the results of treatment -- what works and what doesn't work.
