Judy Martin : The Encyclopedia of Printmaking Techniques: A Comprehensive Visual Guide to Traditional and Contemporary Techniques before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Printmaking Techniques: A Comprehensive Visual Guide to Traditional and Contemporary Techniques:

1 of 1 people found the following review helpful. HelpfulBy Michael R ElmoreDover books are good reprints, although, being such, there are very few color examples. The poetic style is an interesting change from the writing in art books by comtemporary authors.0 of 0 people found the following review helpful. Drawing And Painting TreesBy Alana CampbellI wanted books on painting trees and did not find much on this. topic. being written. I was happy with my purchase of this book.0 of 0 people found the following review helpful. Four StarsBy riopano06Enjoyed the helpful insights.

Progressing from simple to advanced techniques, this invaluable guide includes monoprints, drypoint, mezzotint, and etching. Find out about the best materials and equipment for each process. Study line, pattern, texture, color,

composition, style, and more. Bonus: a gallery of images by fine printmakers.
