**Katherine Guerrier : The Encyclopedia of Quilting Patchwork Techniques: A Comprehensive Visual Guide to Traditional and Contemporary Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Quilting Patchwork Techniques: A Comprehensive Visual Guide to Traditional and Contemporary Techniques:

9 of 11 people found the following review helpful. Gotta own this book!By Baby KI just completed a wall quilt, and using this wonderful book, I picked up several new skills which saved time and added up to a very nicely finished product! I currently have this book out on loan from my library, and they are sending me letters threatening to refer me to a collection agency if I do not return it right away... but the thought of continuing to work on the quilt without the book was even more frightening to me! Now that it's finished, I'm ready to head to the library, and place my order for my very own copy. I'll never quilt again without it!

"Whether you're a beginning quilter or long-time enthusiast this is one for the book shelf. This wonderfully organized guide covers a wealth of quilting techniques, tools, and design ideas in painstaking detail."--Butterick Home

Catalog "This practical, well-organized reference [is] chock-full of creative inspiration...a gallery of stunning quilts [is] sure to inspire."--Sew News From shoofly blocks and Suffolk puffs to folded stars and four-patch pinwheels, this unique volume presents both simple, traditional quilting designs and elaborate investigations of color and pattern. Quilters of all levels will enjoy exploring the anatomy of a quilt in progress--the top layer, batting, backing, border, blocks, stitching, and sashing--and constructing the variety of blocks displayed in fabulous color photos. And busy stitchers will certainly appreciate sections on rotary cutting and speed piecing that give satisfying results in half the time. With this much information and inspiration, anyone can make heirloom-quality quilts to show off and treasure.
