Alicia Merrett, Ann Stephens : The Encyclopedia of Teddy Bear Making Techniques: A Step-by-Step Visual Directory with an Inspirational Gallery of Original Bears before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Encyclopedia of Teddy Bear Making Techniques: A Step-by-Step Visual Directory with an Inspirational Gallery of Original Bears:

0 of 0 people found the following review helpful. Five Stars By BineyLove this book! 0 of 0 people found the following review helpful. Great book! By Crystal A. Rowden I like this book because it's an easy read and it teaches you how to make your own designs (a big plus!) I would recommend this book to teddy bear crafters everywhere, but especially beginners! 0 of 0 people found the following review helpful. Five Stars By OlyaLove it!

From stuffing and inserting joints to stitching and clothing, this fully illustrated step-by-step guide contains instruction for more than 50 teddy bear-making techniques. Patterns for four distinctive bears and their outfits are included and all the expert advice necessary for achieving imaginative and professional results is provided. This detailed reference on all aspects of teddy bear making also features a comprehensive tools and materials section and an inspirational gallery

of finished bears from the best traditional and contemporary bear makers.

Every aspect of making teddy bears is here in this step-by-step visual directory to more than 50 techniques. Also included is a gallery of appealing finished bears to give you inspiration, and some may even give you ideas with your sugar modelling. -Cake Craft Decoration
