John Spencer : The Encyclopedia of the World's Greatest Unsolved Mysteries before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of the World's Greatest Unsolved Mysteries:

The search for definitive answers to the mysteries of our world continues to provoke even more mysterious questions. Alien abductions, Auras, the Bermuda Triangle, Ouija, Reincarnation, Witchcraft--these are the phenomena that grip

the collective imagination of the world. These topics, among many others, are thoroughly examined in this valuable reference work.
