**Scottish Language Dictionaries : The Essential Scots Dictionary: Essential Scots Dictionary: Scots/English - English/Scots (Scots Language Dictionaries EUP)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Essential Scots Dictionary: Essential Scots Dictionary: Scots/English - English/Scots (Scots Language Dictionaries EUP):

0 of 0 people found the following review helpful. A fun addition to your personal library  
By Nancy R. Middendorff  
I already had the "English-Scots" dictionary, but there were times when I wanted to verify the Scots-English translation. As this version is the same size as the other, it is possible that some words were left out. However, I don't think it will be an issue for what I am doing. The only 'complaint' I have of this particular printing is that the bold-face type is too bold; a lowercase 'i' looks like a lowercase L. But I am pleased, and I will have lots of fun with it, too.

By music teacher  
I bought it for a friend. He was happy.  
4 of 4 people found the following review helpful. Meets my needs  
By Stewart Michelini  
I just started reading documents written in Scots. This dictionary has met my needs relative to definitions of most Scots words I encounter in those readings.

This two-way dictionary (Scots-English/English-Scots) provides:  
\* Modern Scots, with some literary words likely to be met in stories or poems  
\* Notes on how to get the most out of your dictionary  
\* Grammar notes and verb lists  
\* Spelling guidance  
\* Help with pronunciation  
\* A brief history of the Scots language  
It can also be used for encouraging the use of Scots in schools and to provide support in the classroom. A useful compact reference book for anyone requiring information on Scots."

This new reference book is valuable in its attempt to convey the real viability of Scots vocabulary in many different registers! The ideal reader of the ESD is thus anyone with a genuine interest in the liveliness of languages. Young learners will no doubt be helped by the accessibility of presentation. 'This new reference book is valuable in its attempt to convey the real viability of Scots vocabulary in many different registers!
