22 of 22 people found the following review helpful. Excellent and useful for studentsBy savyon941This is one of the best self-learning books I've seen. The answers to exercises are in the back, allowing you to get immediate feedback on whether you're getting the point the author is teaching you. It has a clear writing style, explaining grammatic points, and clearly marks areas needing emphasis. I am using it in conjunction with lessons from a teacher, and even she,

when I showed it to her found it good. It fills the need for constant review that you have with any language you learn other than your native one. The CD is clear. I'd definitely say, having seen what's out there in Brazilian Portuguese books, it should work well for most learners of this sweet and beautiful language. It's also clearly Brazilian Portuguese, so you're not getting the language used in Portugal. This is money well spent. I gave it four stars because it lacks transliterations, which I find helpful, and because I've not completed it yet. 2 of 2 people found the following review helpful. It's missing some of the basics.
