Joy Darlington : The Everything Job Interview Book: All you need to make a great first impression and land the perfect job before purchasing it in order to gage whether or not it would be worth my time, and all praised The Everything Job Interview Book: All you need to make a great first impression and land the perfect job:

0 of 0 people found the following review helpful. Great book to readBy SANDRA NOBORIKAWAGreat book to read, preparing yourself for a job interview. It is much more difficult going for a job interview.0 of 0 people found the following review helpful. Love itBy Eleanor SagerGreat0 of 0 people found the following review helpful. Helps You Prepare for those Tough Interview QuestionsBy CharingCrossRoadThe Everything Job Interview Book includes hundreds of sample interview questions, ranging from specialty areas such as Accounting and Banking, to Architecture, Communications and Educational Services. This approach is well-suited for University students who may not have experience in their chosen fields but would like to develop those killer responses in their initial interviews.The book is divided into three basic parts. Part 1 guides you through Job Interview Strategies, which

includes cover letters and interview research. Part II looks at the different types of interviews, from the one-on-one traditional interview to alternative interviews such as lunch interviews and video conferencing. Part III covers interview questions that look at experience and skills. This book helps the job-seeker be coached on how to talk about accomplishments, and even how to deal with career goals and personal interests. There's also a specialist section devoted to job-seekers with "special needs" - such as people changing careers. Overall, this book really does equip you with the tools and techniques to achieve success in that next job interview. -CareerOwl Institute

No matter how good your resume looks on paper, you won't get the job until you ace the interview. That critical one-on-one interview is your best chance to showcase your skills-if you make a good impression. In *The Everything Job Interview Book, 2nd Edition*, you'll learn how to do just that-from what to wear and when to arrive, to closing words and what to write in a follow-up letter. You also get the inside scoop on how to:

- Calm pre-interview jitters
- Research potential employers
- Formulate specific questions
- Avoid common mistakes
- Answer tricky questions about salary and experience
- Keep track of interviews-the ones that went well and those that didn't
- Return to the workplace after serving in the military
- Look for a new job instead of retiring
- Conduct a professional interview over the phone, on the Web, or in a videoconference

Packed with hundreds of real-life interview questions (and the answers that employers are looking for!), this is the only book you need to nail the big interview. Joy Darlington is a business writer whose work has been published in *The New York Times*, *The New York Post*, *The Daily News*, *Newsday*, *Readers' Digest*, *Good Housekeeping*, and *Cosmopolitan*. She is the editor-in-chief for *Woman Entrepreneur*, a national newsletter for women small-business owners. She lives in New York, NY. Nancy Schuman is a vice president at Lloyd Staffing and the author of several books, including *The Everything Resume Book, 3rd Edition*, *Revising Your Resume*, and *From College to Career*.
