**Ron Krannich, Caryl Krannich : The Ex-Offender's Job Interview Guide: Turn Your Red Flags Into Green Lights** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ex-Offender's Job Interview Guide: Turn Your Red Flags Into Green Lights:

0 of 1 people found the following review helpful. This was a gift so I'm not sure but it seemed a little boringBy Kristin619This was a gift so I'm not sure but it seemed a little boring0 of 2 people found the following review helpful. One StarBy Stephen R.useless book actually.4 of 4 people found the following review helpful. A very good readBy californiagirlThis was a very good book. It really causes you to sit down and think about what your potential red flags

could be to an employer and how to formulate a thoughtful response that just may land you that elusive job. I really would have liked to have seen a more thorough list of insightful questions that you can ask the interviewer since it gave quite a few questions about what you could get asked during an interview. It did briefly touch on this but again I would have loved to have seen more questions.

Addressing the many employability issues facing ex-offenders, this book shows them how to deal with today's job market challenges. Focusing on the critical job interview, it emphasizes the importance of turning obvious red flags into green lights by developing effective communication skills. Thirteen chapters focus on potential job knockouts, telling the truth, 40 interview mistakes, questions and answers, nonverbal interview behaviors, preparation, red flag questions, closing, follow-up, job offers, and salaries.

About the Author Krannich is one of America's leading career and travel writers who has authored, co-authored, or ghost-written more than 70 books. She has assisted hundreds of thousands of individuals, from students, the unemployed, and ex-offenders to military personnel, international job seekers, and CEOs, in making critical job and career transitions.
