Product and handling simply amazingBy Travis ArnettHere is a short simple review on (The New Strong's Expanded Exhaustive Concordance of the Bible) (Red-Letter Edition)As a Student of not only the bible, but also the original languages. I must say i am simply amazed at this version of Strongs, and not only the product, but also these sellers. i got it even days before i was supposed to always a plus. that about covers my happiness with the sellers, although i still feel i am not giving them the justice they deserve. but now onto the product itself, it is a hard back which i usually can not stand, but for something even this thick it works. this strongs is done in easy laid out sections. it gives you an introduction, how to use etc, then goes into a concordance of all the words used in the KJV, also other translations as i was suprised a added bonus not mentioned. from the concordance it then goes into the strongs number section of Hebrew, then Greek, respectfully. and yet another awesome bonus not in many Strongs, is not only the words of our Lord in red (although all of the word of God is inspired of course) but the cool addition of some of vines best Definitions of not only the english but also on the

hebrew and greek. there is also a complete topical index to the bible i did not know i was getting which is great, a chart of the harmony of the gospels, Teachings and illustrations of Christ, The parables of Jesus Christ, The laws of the bible, Prayers of the bible, the Jewish calendar, Jewish feasts, Monies and weights, New testament monies, Measures of length, Dry measures and liquid measures. for those that took the time to read this, thank you and God bless. i was trying to write a review quickly, so i apologize for missing pronounciation and spacing etc. but wanted to get it all in. what you will get with this awesome addition for pastors, and students alike.in Christbrother Travis.336 of 342 people found the following review helpful. WonderfulBy Patricia L. MenvilleI bought this for my son who is in prison. You might think this is a bad thing, but God has given my son a ministry from the inside out. When God is finished with him he will come out. He has led 10 men to Christ so far. He said it was the best concordance and it has helped him to bring the light to the Gospel in a greater way.Patricia Menville29 of 30 people found the following review helpful. A Must Have Concordance/Dictionary All-in-OneBy oliviaThis is a WONDERFUL concordance. Our Pastor required us to get a Strong's Concordance and a Vines Dictionary. So I decided to search for the books and long behold I came across this awesome book and it had it all in one which is amazing. This book is a size of a school text book. If you are willing to learn of Gods Word even the better. Don't let the size discourage but encourage you to buy. The print is small so for those that have trouble reading small print I would suggest a full page magnifying sheet to make it easier on the eyes. I have ordered several of this book for members of my local congregation as well. I intend on ordering more. I attend a Bible based Christ Center, Holy Ghost led Sabbath Keeping church. Here is where we learn, study and search the Word of God. So this Concordance/Dictionary will help us grow stronger and dig deeper into the Bible.

/James Strong The complete edition of the bestselling concordance! The most widely used reference for Bible study, this edition of Strongs features the largest print available, words of Christ in red, and a key word comparison of major translations. A must for.
