Scientific Publishing : The Eye chart: Wall Chart before purchasing it in order to gage whether or not it would be worth my time, and all praised The Eye chart: Wall Chart:

0 of 0 people found the following review helpful. Well made, no complaints.By Bruce A. ColgateWell made, no complaints.0 of 0 people found the following review helpful. Five StarsBy amyc7119Love it looks great

The Eye chart features a prominent cut-away view of the eye, showing major internal features. The visible light spectrum diagram is accompanied by images of auxillary structures and the Canal of Schlemm. Diagrams help describe the vision functions of accommodation and the visual field. Heavy cover stock with protective varnish for durability.
