**Mary Gehlhar : The Fashion Designer Survival Guide, Revised and Expanded Edition: Start and Run Your Own Fashion Business** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Fashion Designer Survival Guide, Revised and Expanded Edition: Start and Run Your Own Fashion Business:

0 of 0 people found the following review helpful. Avoid the pitfalls of owning your own fashion design business By Kathryn This is an excellent tutorial IF you already have a basic background in the fashion industry, otherwise, you might not understand certain information predicated on the assumption of a knowledge base. I would most certainly recommend it for anyone thinking of starting their own business in the fashion industry. It will skillfully guide you

through the land mines of the fashion landscape and prevent you from getting a leg blown off! Clear, concise and thorough. Lots of 'white space' on every page prevents the reader from being overwhelmed and subliminally infers that starting your own business IS simple enough that you absolutely can succeed! Just do your due diligence with Mary. Good luck! 0 of 0 people found the following review helpful. More hype than helpful By Nancy N Rice Slick visual presentation, but for a start-up clothing designer or manufacturer like me it was far too "designer" oriented to provide much relevant information. Lots of quotes by and photos of big-name designers, so I know for sure the author is very connected, for what that's worth. 0 of 0 people found the following review helpful. What to do what not to do... By Jenna Book gives real world advice on how to get ahead in the fashion industry. The book advises about working under a reputable designer to get the real world experience and I 100% agree. Very good book for young high school students or young people interested in entering the fashion industry

Mary Gehlhar, author, industry authority, and consultant to hundreds of designers, including Zac Posen, Twinkle by Wenlan, Rebecca Taylor, and Cloak, gives readers behind-the-scenes insights and essential business information on creating and sustaining a successful career as an independent designer. With advice from fashion luminaries including Donna Karan, Tommy Hilfiger, Cynthia Rowley, Diane von Furstenberg, Richard Tyler, and top executives from Saks Fifth Avenue and Barneys New York, this fully updated and revised edition of *The Fashion Designer Survival Guide* addresses the latest trends in apparel and accessories, the newest designers, an updated introduction, and a new foreword by Diane von Furstenberg, Designer and President of the Council of Fashion Designers of America (CFDA). *The Fashion Designer Survival Guide* provides the necessary tools to get a fashion line or label up and moving on the right track, including: How to create a viable business plan Figuring out how much money you need, where and how to get it, and how to make it last, including the latest on private equity The best sources for fabric and materials Navigating the pitfalls of production both at home and abroad Marketing, branding, and getting the product into the stores and into the customers closets Romancing the press, dressing celebrities, and creative publicity techniques Producing a runway show that will get results

For anyone interested in being a fashion designer or working in the fashion industry, "The Fashion Designer Survival Guide" is the quintessential must-read. Tim Gunn, Bravo's Project Runway For anyone seeking to compete and succeed in our crowded and highly competitive industry, Mary's comprehensive advice is required reading. Peter D. Arnold, President, Cynthia Rowley It takes more than just a creative idea to succeed as a fashion designer. "The Fashion Designer Survival Guide" will help bring ideas to the marketplace. It is a comprehensive overview of the business side of fashion that offers detailed practices and specific tools that are required to become a working designer. Steven Kolb, Executive Director, Council of Fashion Designers of America "For anyone interested in being a fashion designer or working in the fashion industry, "The Fashion Designer Survival Guide" is the quintessential must-read." -- Tim Gunn, Bravo's Project Runway "For anyone seeking to compete and succeed in our crowded and highly competitive industry, Mary's comprehensive advice is required reading." -- Peter D.
