Excellent help for Learning Spanish!By CindyThis has really helped my son with learning Spanish for school. The visual medium is extremely

helpful for this process.

"This is a fairly comprehensive visual dictionary for Spanish-speaking learners... I can easily see various subject teachers using sections to help recent arrivals cope." -- Library Media Connection "Designed for young users... a good visual dictionary has a place on the ready-reference shelf." -- Booklist With 12,000 words and 2,000 illustrations on more than 500 topics, The Firefly Spanish/English Junior Visual Dictionary shows what other bilingual dictionaries only describe. Topics range from an airport layout and the human circulatory system to hydroelectricity and the parts of a shoe, with every term connected to a detailed illustration labeled for easy identification. The gender of the Spanish word is shown to help the reader use it correctly. This new edition has been thoroughly updated to include the newest and most relevant subjects, current terminology and up-to-date images. Introductory text opens each section, and there are both thematic and general indexes. The dictionary's 22 themes are color-coded for easy reference: Astronomy Geography Geology Meteorology Environment Vegetable kingdom Animal kingdom Human being Food Clothing and personal objects House Science Energy Transportation and heavy machinery Arts Architecture Music Communications Society Sports Leisure activities and games Symbols This visual reference is perfect for increasing a child's vocabulary, as well as being useful for adult learners of either language.
