Joseph Ajayi Fashagba : The first illustrated Yoruba dictionary: Two parts, Yoruba-English, English-Yoruba before purchasing it in order to gage whether or not it would be worth my time, and all praised The first illustrated Yoruba dictionary: Two parts, Yoruba-English, English-Yoruba:

0 of 0 people found the following review helpful. Very good referenceBy Marcos A. M. OliveiraIt os the better dictionary I have. It is big, but has also big letters and a lot of words. There is few errors in some words but probably it is only a problem when the book was edited and you can note the errors. Well I found some complex words which I didn't expect there. If you can, buy it.
