I got this book too late for one purchase (could have saved \$800 on my bed) but was still able to save over \$500 on other pieces.0 of 0 people found the following review

helpful. Great BookBy Shannon C.It was very informative. I am planning a trip and it will be great fun to check out the stores.0 of 1 people found the following review helpful. DisappointedBy 2016So far it has not helped me at all. I have contacted several dealers with either no response or they only sell defective/chipped furniture.
