1 of 1 people found the following review helpful. Occasionally useful ideas By A. J. Brown Not as useful as I had hoped, but has some fun ideas. I wanted something comparable to what I'd find on pinterest I guess. :) I might recommend this to new teachers or education students interested in teaching kindergarten. 0 of 0 people found the following review helpful. Great resource! By S. Johnson This book has so many helpful ideas and lessons that can be

adapted to kinder, pre-k and even first grade! The activities are simple to plan for and the items needed are easy to find! 0 of 0 people found the following review helpful. Creative, good ideas
By Lorena Merino
Good ideas, some of them impossible to make at a school cause you don't have the materials but overall nice ideas.

From Autumn Leaf Ornaments to The Recycling Game, kindergarten children will delight in these 600 activities written just for them! In a nationwide contest, teachers submitted their favorite activities and the best of the best are included in this giant resource. This compilation has everything from language and science activities to art, music and movement, and learning centers. You'll find everything you need to keep your kindergarten classes engaged and learning for years to come.
