This book contains hundreds of accessible teacher-written transition activities. The GIANT Encyclopedia of Transition Activities is the ninth book in Gryphon House's GIANT Encyclopedia series. Teachers will be able to use the transition activities in this book to fill a spare minute, help children calm down, wait for another activity, and much more. Through play, young children learn to communicate, interact, and expand their cognitive thinking horizons. The GIANT Encyclopedia of Transition Activities provides the resources to incorporate play and learning in young children's transition experiences. This book offers: Over 600 activities in various categories, such as Arrival, Attention Grabbers, Cleanup, Departure, Games, Gross Motor, Music and Movement, and Rainy Day Ideas. Activities in each chapter organized by age appropriateness. Materials lists for each activity, step-by-step instructions, and related books, songs, and poems. Fresh new ideas from teachers who have used these activities in their own classrooms!

About the Author Kathy Charner has been with Gryphon House for over 15 years and has served as Editor-in-Chief. She is the editor of several books including The GIANT Series and the Learn Every Day series.
