Gerald Harvey Jones, Randy Best, Susan Hallsten McGarry : The Golden Era: A Celebration of Light by G. Harvey before purchasing it in order to gage whether or not it would be worth my time, and all praised The Golden Era: A Celebration of Light by G. Harvey:

5 of 5 people found the following review helpful. So-soBy G. KlawitterThe book has too much on G. Harvey's life. Too many photos of him. I wanted more full page photos of his cowboy paintings.0 of 0 people found the following review helpful. My wife was very happy with the bookBy Michael VerrillMy wife was very happy with the book, she has been a fan of G. Harvey since her college days.0 of 0 people found the following review helpful. Five StarsBy Bob Bdelivered quicly and as advertised

From DJ Flap - G. Harvey has developed a style of painting which is so precisely a reflection of his personality and values that it seems to speak directly for him. Artistic honesty are hallmarks of his painting and sculpture. Includes 160 updated pages with over 100 color plates, numerous sketches, bronzes and photographs of the artist at work.
