Rob Cook, John Sheridan : The Gretsch Drum Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gretsch Drum Book:

The Gretsch Drum Book by Rob Cook in collaboration with John Sheridan is a complete business history of the Gretsch Drum Company and dating guide for Gretsch drums. From the founding of the company in 1883, every significant management change of direction is discussed right up to the current era in which owner Fred W. Gretsch partners with KMC Music. A history of Gretsch artist relations includes an alphabetic list of every Gretsch drum endorser from 1936 to 2012 with photos of over 200 of them. The dating guide illustrates every catalog, color, badge,

snare drum, drum kit, and hardware item catalogued through the 130-year history of Gretsch drums.
