Waiting By hwstone I teach English to a class young ladies who all find the Heinle Picture Dictionary Workbook to be very helpful, however, I'm still waiting for my last order which, I am told, is on backorder and will not arrive until some time in April! My students and I are a little disappointed! 1 of 1 people found the following review helpful. Great Dictionary with the workbook By P. Bast I am an ESL teacher and like this dictionary with workbook for newcomers. They take it home for independent homework and vocabulary reinforcement. I really like the CDs component that goes with the workbooks too.

Beginning Workbook features complete listening programs as well as constructive, entertaining activities for

solidifying new vocabulary.
