**National Geographic Learning, Heinle : The Heinle Picture Dictionary: English/Spanish Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heinle Picture Dictionary: English/Spanish Edition:

1 of 1 people found the following review helpful. Heinle Picture DictionaryBy Ursula VolwilerA must-have in every ESL or bilingual classroom. This dictionary groups words into logical context areas. Each page also contains valuable language references such as pairing nouns with correct verbs. A Words in Action section for each topic guides students to look at words through particular questions and tasks which requires higher order thinking skills and thus helps with memorization.0 of 0 people found the following review helpful. Five StarsBy Cesarexcellent condition0 of 0 people found the following review helpful. Like this dictionary with the workbook.By P. BastI am an ESL teacher and like this dictionary with workbook for newcomers. They take it home for independent homework and vocabulary reinforcement. I really like the CDs component that goes with the workbooks too.

Extensively revised and updated, The Heinle Picture Dictionary, Second Edition presents 4,000 words in context through vibrant images within thematic units. The new edition uses illustrations, readings, audio, and technology to teach everyday and content-

"[This book] offers far more challenge and motivating activities than most dictionaries, basic or otherwise, while maintaining an uncluttered, appealing visual impression to the reader. Its exercises offer a chance for critical thinking and active learning, not just passive, rote memorization." Sally Gearhart, Santa Rosa Junior College, Santa Rosa, CA "This dictionary goes beyond other picture dictionaries with only attractive artwork. This one directly contributes to the learners' overall development in the use of the vocabulary in context through short and informative readings and conversations. Congratulations!" Bari Ramirez, Stockard Middle School, Dallas, TX
