Installation requires having Apple Quicktime in whatever computer you install it in. The option for installing Quicktime included in the CD did not work so well in a computer which has Windows 7. But I downloaded a newer version of Quicktime and installed it, selecting custom settings which allowed me to install picture viewer with it. After that, I finished the installation of the Heinle Picture Dictionary. It works perfect. This is a very good tool for learning/teaching English! 0 of 0 people found the following review helpful. It's okay By Margaret Barnard I don't really think this is all that useful for beginning language learners. There are word searches and short

reading selections, as well as other activities, for each section, and the reading selections are dictated aloud. But I wouldn't spend much money on this if I were you. 0 of 0 people found the following review helpful. Four StarsBy CarlosCGreat appearance.

Unlike other dictionaries, The Heinle Picture Dictionary presents new vocabulary in contextualized, thematic readings and high-frequency collocations. It also offers immediate practice and reinforcement through "Words in Action." Whether used as a classro

"[This book] offers far more challenge and motivating activities than most dictionaries, basic or otherwise, while maintaining an uncluttered, appealing visual impression to the reader. Its exercises offer a chance for critical thinking and active learning, not just passive, rote memorization." Sally Gearhart, Santa Rosa Junior College, Santa Rosa, CA "This dictionary goes beyond other picture dictionaries with only attractive artwork. This one directly contributes to the learners' overall development in the use of the vocabulary in context through short and informative readings and conversations. Congratulations!"
