Eugene Ehrlich : The Highly Selective Thesaurus and Dictionary for the Extraordinarily Literate before purchasing it in order to gage whether or not it would be worth my time, and all praised The Highly Selective Thesaurus and Dictionary for the Extraordinarily Literate:

If you're serious about writing and speaking language that crackles with delightful and obscure words, then you must have this book. As indicated by the title, it is a selective thesaurus and dictionary containing words and phrases, focusing on the more arcane or colorful choices.
