Richard Nivens : The Hillbilly to English Translation Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Hillbilly to English Translation Dictionary:

5 of 5 people found the following review helpful. Don't waste your money. It's not even a book...it's a poor quality pamphlet.By HollywoodThe Reverend from Sacramento, California did a terrible job creating this on his home

computer. Most of the "hillbilly sayings" are common sayings that many people use. He just spelled them wrong in a sad attempt at humor. There were several blank pages as if to make this actually look like a book. The cover photo is terrible quality. It was likely copied from an internet Halloween costume ad and blown up...image is very digital. Being as it is, I am married to a man from North Georgia so I consider myself a subject matter expert on the hillbilly dialect and the only funny parts (infrequent as they are) are forced snickers and that is about it. I bought this book as a joke for my incoming relatives as they are coming to visit us from up north. I wasn't looking for a high quality hard cover product but this was a complete waste of my time and money. Don't buy this pathetic product-please set even hillbilly standards higher than this...0 of 0 people found the following review helpful. Not worth the moneyBy TammyIt is more of a pamphlet. Last several pages are blank. The front and back of the "book" even have the creases of a pamphlet. The "words" and phrases are not even good. I would recommend something different. Very poor work and not worth the money or time.0 of 0 people found the following review helpful. Three StarsBy Dawn R LunsfordThe size of this book was disappointing.

A complete guide to the Hillbilly language! A must have if traveling down south. A Laugh a minute. Also includes "Favorite Hillbilly Sayings" as well as "Favorite Southern Foods".

About the AuthorA hillbilly by heart, born in Livingston TN with both parents being backwoods hillbilly's.
