short. I thought this would be appealing to my children, but it looks dated. I'm keeping it, but going to try to find a better one. 7 of 7 people found the following review helpful. Beautifully illustrated! By Tom H. A beautifully illustrated book covering the essence of Catholicism. A lot of important history is covered, albeit briefly, but this is a good starting place for anyone interested in the history and practices of the Catholic Church. 0 of 0 people found the following review helpful. Five Stars By Craig W Archer Great!!!!

A comprehensive history of the Catholic Church from the birth and life of Christ and the stories of the Apostles to the building of St Peter's in Rome, the rise of Monasticism and the Reformation, and to Catholicism found around the world today.
