Patty Cassidy : The Illustrated Practical Guide to Gardening for Seniors: How to maintain your outside space with ease into retirement and beyond before purchasing it in order to gage whether or not it would be worth my time, and all praised The Illustrated Practical Guide to Gardening for Seniors: How to maintain your outside space with ease into retirement and beyond:

0 of 0 people found the following review helpful. For the very beginnerBy Helen YoestToo much basic info. It assumes a senior will start gardening in their golden years. I was hoping for something to help me grow into my years.2 of 2 people found the following review helpful. OKBy Elizabeth A.Nothing too new here for an avid gardener. Did appreciate the colored photos of plants with the growth habit information.0 of 1 people found the following review helpful. Good bookBy O. MandinoI bought this for my friend. He says it is a wonderful and helpful book. He is a great gardener and has learned from this book

A fresh and inspiring new guide to gardening for those in the second flush of youth, from active retirees to those with more limited abilities

About the AuthorPatty Cassidy is a horticultural therapist with experience working with assisted living elders, seniors with physical limitations or memory disorders and neglected children. She currently works in a horticultural therapy role at a number of healing gardens, including Fairway Village in Vancouver, Washington; Providence Elder Place in Gresham, Oregon; and Garden Partners in Portland, Oregon. She is a board member of the Northwest Chapter American Horticultural Therapy Association and president of the Friends of Portland Memory Garden. Gardening for Seniors is her first book.
