CerrutiGreat pictures, and lots of them, with text to match. Bought for my 10 yr old grandson, who wants to learn everything he can about the sea and fishes who live there. Very educational and was a hit!

An authoritative and lavishly illustrated guide to marine life around the world, featuring profiles of hundreds of bony and cartilaginous fish, plus shells, crabs, corals, echinoderms, seals, jellyfish, dolphins, sharks, rays, sea snakes, and many more.
