SmithIf you're over 40 and it's been more than 10 years since you've changed jobs you may be surprised

how much the art of job searching has changed. This book was a wake up call that it's going to take more than a nice resume to job hunt these days. At first I was overwhelmed by all of the social outlets and tools recommended but the author does a great job of breaking it down into steps and providing good examples. 0 of 0 people found the following review helpful.
