From Little Brown Co (P) : The Insider's Guide to the Top Ten Business Schools before purchasing it in order to gage whether or not it would be worth my time, and all praised The Insider's Guide to the Top Ten Business Schools:

1 of 1 people found the following review helpful. Excellent Guide To Understanding The Top Business Schools!By A CustomerThis is definitely the best book on the market for understanding the ten leading American business schools. Each chapter provides a detailed account of the business school's academic environment, student social life, recruitment and job search process. A must have for anyone considering applying to a top ten business school.

Here is everything that anyone considering a top business school should know: all the relevant statistics, advice on how to apply successfully, and candid evaluations of the schools by those who have attended them. Exclusive essays from three top admissions officers make this reference indispensable.
