Tom Jackson : The Perfect Resume before purchasing it in order to gage whether or not it would be worth my time, and all praised The Perfect Resume:

0 of 0 people found the following review helpful. Still the bestBy LolaluMany good points of resumes and job search but the best part is the chapter on cover letters. The samples are truly ideal: specific, engaging, and should be totally irresistible to the hiring managers! I much prefer this book to later editions (which are admittedly more helpful for their advice on Internet job search, formatting for screening software, social media, etc.)I've been in the career development field for 31 years and seen a lot of books. This one is as classic and essential as a navy blue blazer.
