Maurice Hinson : The Pianist's Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pianist's Dictionary:

The Pianists Dictionary is a handy and practical reference dictionary aimed specifically at pianists, teachers, students, and concertgoers. Prepared by Maurice Hinson, the best-selling author of Guide to the Pianists Repertoire, the work

explains pianistic terms and performance directions clearly and concisely, with illustrations and brief musical examples. Hinson includes succinct entries concerning famous piano pieces and composers, leading performers and teachers, and piano makersmaking *The Pianists Dictionary* the perfect reference for compiling program and liner notes. The volume collects many of Hinsons most useful ideas that have appeared in his popular lectures and masterclasses over the years and have not been published elsewhere.
