It's not easy to find the exact binding, and in good condition. I felt very fortunate that I did, and at a very reasonable price. The vendor was absolutely honest in describing the book which is nearly perfect. Very pleased with this purchase. To buy the entire set of Britannica Great Books is quite pricey. I think they've ceased publishing them too. We have had our set, a gift from one set of parents, for forty years, so finding the right replacement volume was quite necessary. Very pleased.1 of 1 people found the following review helpful. InsightBy Patrick KennedyGreat insight into the culture of the Greeks and how things were viewed by ordinary people of the time. The extant legacy of Ancient Greek drama that survived the triple burnings of the Library of Alexandria along with the Falls of Rome and Constantinople...But there were SO many more Greek plays before Christianity and Islam, those two soul-consoling religions of magical

thinking, destroyed the bulk because the Paganism of Hellenism 'threatened' the worshipping of THE BOOK.
