The PowerScore GMAT Reading Comprehension Bible is the definitive guide to the Reading Comprehension portion of the Graduate Management Admission Test (GMAT), featuring passages, questions, and concept drills, complete with explanation and analysis. This book will provide you with a powerful and comprehensive system for breaking down any passage and attacking any Reading Comprehension question that you may encounter on the GMAT. The

concepts presented in this publication are representative of the techniques and approaches that have been tested in PowerScore's live GMAT preparation courses and have consistently been proven effective for countless students. In order to develop a strong foundation in Reading Comprehension, this book contains substantial discussions of how to deconstruct reading passages, how to identify and attack the various question types that commonly accompany GMAT passages, and how to successfully avoid traps set by the test makers. The PowerScore GMAT Reading Comprehension Bible's drills and exercises supplement the discussion of techniques and question analysis, providing the opportunity to practice and reinforce the skills necessary for a strong performance; for this reason the book's numerous drills are as important as the passages and questions themselves. Once you have studied and applied the techniques outlined in The PowerScore GMAT Reading Comprehension Bible, we are confident that you can improve your Reading Comprehension performance on the GMAT. The GMAT Reading Comprehension Bible is also supplemented by an exclusive website that provides additional materials, information and assistance.

About the Author Dave Killoran, a graduate of Duke University, is an expert in test preparation with over 20 years of experience teaching classes for graduate school admissions tests. In addition to having written PowerScore's renowned GMAT Critical Reasoning Bible and many other popular publications, Dave has overseen the preparation of thousands of students and founded two national test preparation companies. Steven G. Stein, a graduate of the University of Virginia, a test preparation expert who has scored in the 99th percentile on an officially administered LSAT, GMAT, and GRE, is one of PowerScore's head publications developers, and has co-authored several books on test preparation. Steve earned his J.D. from the University of Virginia School of Law, and his MBA from the Fuqua School of Business at Duke University. Nikki Siclunov has been with PowerScore since 2005, and is one of the company's head publications developers. As a Senior Instructor for PowerScore, Nikki has taught thousands of students in New York, Boston, and Philadelphia. Nikki attended Harvard College, graduating magna cum laude with the highest honors in the field of Literature. He also received a M.Phil. in Comparative Literature from Yale University.
