This one definitely provided the perspective and support necessary for increasing my verbal score. Would recommend to anyone trying to improve their GMAT score. I found myself going back to this book to understand incorrect answers from my practice exams. 0 of 0 people found the following review helpful. Good read and worth buying By Narayanamurthi This book is one of the addition to my prep materials. For SC, the book starts from basics and tests advanced concepts as well. Good read and worth buying. 4 of 4 people found the following review helpful. Suck at SC?? No problem! By Jin Wang This book saved my GMAT score. I took classes, studied by myself, and struggled with sentence correction but none of them worked until this book. This book will teach you American English from the ground up and the book also includes useful practice questions and detailed explanations. The book really pushes you to think like a GMAT test writer and helps you to spot all the errors. Get this book for your sentence correction and

look at the manhattan GMAT quants for your math.

The PowerScore GMAT Sentence Correction Bible is the most comprehensive book available for the Sentence Correction section of the GMAT. The grammar lessons contained in the Sentence Correction Bible are representative of the techniques covered in PowerScore's live courses and have consistently been proven effective for thousands of our students. The book features and explains a detailed methodology for attacking all aspects of Sentence Correction questions, including recognizing errors in parts of speech, the proper way to correct single and multiple errors, strategies for determining possible errors, and techniques for quickly eliminating answer choices as you solve the questions. Entire chapters are devoted to potential errors in common parts of speech. The following grammar concepts and errors are covered in detail: Basic Grammar Verbs Nouns Pronouns Modifiers Conjunctions Sentence Construction Sentence Correction Strategies In addition, the Sentence Correction Bible features over 140 GMAT Sentence Correction questions in drills and problem sets in order to effectively practice our techniques. This includes examples for each of the error types referenced above. The Sentence Correction questions on the GMAT represent approximately one-third of your verbal score and often intimidate test takers whose formal grammar training lapsed in elementary or middle school. However, once you understand how to efficiently approach each error type and deconstruct the sentence presented, the solution to each question can be quickly discovered. Through step-by-step analysis of every error that you will encounter, detailed explanations for every answer choice, and extensive drills to enforce every major concept, this book will teach you how to correctly solve even the most complicated Sentence Correction problems. The Sentence Correction Bible is also supplemented by a unique website that provides additional materials to complement the book and answer frequently asked student questions.
