Clean, Used, and BrilliantBy ReneeI have always used this book ever since my Mom and Aunt began teaching me how to cook. I cook mostly international breads and cookie recipes out of this book, but the timeless recipes on pizza, pie crust, croissants, and many others, is what makes this book a good one to have. Even though it is really old, I was able to recover a used one via from a brilliant merchant who sent me a nicely kept one.0 of 0 people found the following review helpful.
