Julie Garwood : The Prize before purchasing it in order to gage whether or not it would be worth my time, and all praised The Prize:

2 of 2 people found the following review helpful. Good Book? Narrator Ruins Another One.By bluestategirlI love audiobooks, but this is one for Kindle.As the reader, Anne Flosnik's weird interpretation of speaking English is so painful to listen to I just couldn't stand it. I LOVED her in the Kushiel books, but this is a book worthy of someone who doesn't sound like her jaws are mechanical and run by steam.I may try to read it on ebook at some point, but I've already bought the audio book and the thought of laying out another \$8 for the Kindle version just hurts too much.Wish audio publishers would take the hint about Flosnik before she ruins more books.0 of 0 people found the following review helpful. The PrizeBy CustomerThe Prize by Julie Garwood is a favorite historical romance. 1066 AD in the resplendence of William the Conqueror's London court, the lovely Saxon captive Lady Nicholaa was forced to choose a husband from the assembled Norman nobles. She chose Royce, a baron warrior whose fierce demeanor could not conceal his chivalrous and tender heart. A resourceful, rebellious and utterly nave, Nicholaa vowed to bend Royce to her will despite the whirlwind of feelings he aroused in her. Ferocious in battle, seasoned in passion, Royce was surprised by the depth of his emotion whenever he caressed his charming bride. In a climate of utmost treachery, where Saxons still intrigued against their Norman invaders, Royce and Nicholaa reveled in their precious new love... a fervent bond soon to be disrupted by the call of blood, kin and country!I already had in Paperback and decided to get in Kindle also for reading convenience.2 of 2 people found the following review helpful. An enjoyable and funny book!By thai15This book was a BLAST!!! I don't know why there are negative reviews for this book. The book is

romantic and funny. Someone mentioned that the author has a thing for blondes.....Okay. So what as long as her books make me laugh out loud, who cares. I honestly miss the old books that she used to write compared to what she writes now. This isn't a mystery/thriller book so it is not suppose to be serious and full of action. This book fits what I wanted to read which was a quick delightful romantic read. I finished this book in a couple of hours and that means it was GOOD!

In William the Conqueror s London court Saxon captive Nicholaa was forced to choose a husband from the assembled Norman nobles She chose Royce and they soon revelled in their new found love However this was soon to be disrupted by the call of blood kin and country In the resplendence of William the Conqueror s London court the lovely Saxon captive Nicholaa was forced to choose a husband from the assembled Norman nobles She chose Royce a baron warrior whose fierce demeanor could not conceal his chivalrous and tender heart Resourceful rebellious and utterly naive Nicholaa vowed to bend Royce to her will despite the whirlwind of feelings he aroused in her Ferocious in battle seasoned in passion Royce was surprised by the depth of his emotion whenever he caressed his charming bride In a climate of utmost treachery where Saxons still intrigued against their Norman invaders Royce and Nicholaa revelled in their precious new love a fervent bond soon to be disrupted by the call of blood kin and country
